### **Some Important Notes—Please Read**

**Your hardworking NPS volunteers** – Bee, Lori, and Sharron – who maintain the membership list and produce the annual Membership Directory respectfully request that you are unusually **prompt** with your membership renewal this year. It would help a LOT.

**Life Members** need to let us know of any changes in contact information.

**Remember: NPS is now a nonprofit**, tax-exempt 501(c)(3) organization. Your dues cover the cost of our quarterly newsletter, but your additional gift, which is welcome to help NPS promote its mission, is tax deductible. You may donate electronically through [www.natureprintingsociety.info](http://www.natureprintingsociety.info) or by mailing a check.

**We want to know about your nature printing activities and your ideas for NPS.** Please contact Sharron Huffman with news of your classes, shows, awards, and other tidbits for the **Members' News** section of the newsletter. Contact any other Board member with your ideas and thoughts for our NPS organization. Board members' email addresses are listed on Page 2 of the current newsletter.

**Keep up with NPS members** between newsletters and annual meetings: participate in the often illuminating, and always entertaining, online discussions in the **NPS Mail Group** and on **Facebook**. Links can be found at [www.natureprintingsociety.info](http://www.natureprintingsociety.info)
